

12 years collaboration with Kartesia

FEBRUARY 2025

KARTESIA

We are very happy to have been collaborating for more than 12 years, with what is probably one of the best mid-market private debt managers in Europe, Kartesia.

Kartesia, whose development has been spectacular with, today, nearly 10 offices in Europe and more than 110 employees.

We support them with professionalism, enthusiasm and success in France since 2013, for all their Credit, KCO3/4/5/6 and KSO I & II funds.
