

The Logistics Workshop on Gilles Bouleau's news on October 27th!

OCTOBRE 2025

Our magnificent urban logistics and remote storage project was featured in the «Grand Format» segment of the TF1 news program!

Here is the «Grand Format» segment, lasting over 3 minutes, on the TF1 news program about this highly ambitious and revolutionary project.

We are very proud to be the initiator of this project and to be a financial (non-operational) partner.
